Risk Management and Patient Safety Continuing Education Activity
Sponsored by the Crozer-Keystone Health System

CKHS enables physicians to obtain Act 13 mandated patient safety and risk management CME credits by providing them with related articles, as well as questions and answers to test their knowledge approximately six times a year.

Physicians may self claim one (1) AMA PRA Category 2 Credit for each 60-minute hour engaged in the learning activity. Physicians may claim credit in 15 minute, or 0.25 credit increments, and round to the nearest quarter hour. No fees are charged for this credit.

The article is eligible for category 2 CME credit. It is your responsibility, in case you are audited by your licensure board, to keep a record of your credits. We suggest you keep the quiz, your answers and a copy of the correct answers that will appear the next month on CKHS’ website at http://ckhscme.crozer.org. If you have any questions, please call Nancy Young at (610) 447-2995, 15-2995, or Joan Meighan, (610) 284-8156, 12-8156.

Instructions
a) Read the article relating to the current patient safety or risk management topic.
b) Print out the form and complete the related questions.
c) Keep the quiz, your answers and a copy of the correct answers that will appear in this month’s article subject-matter link in http://ckhscme.crozer.org.
