

Documents Required for Adding Dependent to Benefits

We have listed the most commonly required supporting documentation for different types of dependent coverage. This list may not be all inclusive. The proof must substantiate the relationship. You must supply **original documents** to Human Resources during the Dependent Verification Audit. If adding a dependent (over the age of six (6) months), the Social Security Number or Tax Identification Number (TIN) should be provided. A Social Security Number is not required for a child under the age of six (6) months.
